

THE FREDERIC CHOPIN SOCIETY

Since 1984, the Frederic Chopin Society has presented a world-class piano recital series for the greater metropolitan area of Minneapolis and St. Paul. Exceptional emerging artists as well as distinguished veterans of the concert stage share their music-making in one of the region's premier recital halls. Although programs often include works by Chopin, the Society enjoys a wide range of keyboard music from over three centuries.

The Chopin Society is supported mainly by ticket sales, but we also depend on charitable contributions from individuals and other sponsors. This additional support strengthens artistic planning and helps keep ticket prices modest. All donations, large and small, are greatly appreciated.

To make a charitable donation to the Chopin Society, a 501(c)(3) nonprofit, please use the form below or the one on the reverse side of this panel. To make a contribution using a credit card and PayPal, please visit the Support/Donate page of our website chopinsocietymn.org.
